Next Sunday is the 5th Sunday of Lent; our journey towards Holy Week and Easter is coming to its culmination.

The response to the First Reading, Psalm 50, is a Psalm of repentance, "Create a clean heart in me O God". A clean heart is a fitting place where God can write the meaning of His covenant, God’s relationship with each of us. We stand before God guilty but unafraid, a deep sense of sin is already a step towards the sanctity of God – it opens the door for God’s mercy.

In the Gospel we hear Jesus speak of what is ahead for Him, using a commonly known proverb of the time, “unless a grain of wheat falls to the earth and dies it remains alone, but if it dies it bears much fruit”. Then the familiar words about losing life or keeping life. The choice is ours, to follow the road into a world of darkness or to follow the road that leads to Light, Divine Light.

And so the call of Lent for a change of heart, a turning back to God is echoed once more. It is Christ’s journey to death and resurrection that draws us to Him, we are in a way the fruits of that journey and within us is planted its seed. If our Lenten resolve and the intentions promised on Ash Wednesday have faltered over the past few weeks it is not too late to turn to God for forgiveness.

Create in me a clean heart, O God, and put a new and right spirit within me.

Restore to me the joy of your salvation,

And sustain in me a willing spirit.
Last week we celebrated Catholic Schools Week, an opportunity to look back with gratitude, reflect on our current achievements and think about the future of Catholic schools in our country. The theme this year is ‘Educating for Today and Tomorrow’.

The history of education in Australia has demonstrated the importance of the role of Catholic schools in general life and the development of the Church. While the very first Catholic schools were set up by lay people, for nearly 100 years, from the 1800s until the early 1950s, Catholic schools were staffed almost entirely by religious women and men. In fact our own school Our Lady of the Rosary, was established and staffed by the Sisters of St Joseph in 1952. Catholic schools continued with the support of parishioners and the school fees paid by families. We know many people made significant sacrifices to enable the schools to flourish. It was not until 1968 that the State Government introduced grants for students attending non-government schools and not until 1970 that the Commonwealth Government began to assist with ongoing recurrent funding.

We are very fortunate to have choice of schooling in this country, as we know there are very good State and Independent schools in our area. I want to take this opportunity to acknowledge the choice you have made to send your children to OLR and recognise that while we have considerable Government funding your decision to enrol your children in a Catholic school comes at a cost to you. We are grateful for those who laboured in the past and look forward with enthusiasm for what lies ahead. In 2017 OLR will celebrate 65 years of Catholic schooling at The Entrance, a significant milestone in our history.

This week has been a time of celebration and fundraising with The World’s Greatest Shave and St Patrick’s Day. Thank you to all who entered into the spirit of the occasion and gave generously.

The Leadership Team and I are looking ahead to minimise the times we call on your generosity. At the beginning of Term 2 we will publish an outline of the purpose and dates for any fundraising with our major focus being the St Vincent de Paul Winter Appeal and the OLR Fete.

Parent Community Team
On Monday night we held the third meeting in our series of Parent Engagement Meetings facilitated by Mrs Carmel Hewitt and Mrs Cathie Renfrew. Thank you to all those who attended and those who nominated to be part of the Co-ordinating Team. There was robust discussion about the roles and project teams needed to ensure an inclusive, dynamic parent body. Some of the suggestions included a Parent Education Team, a Special Day Team and a Communications Team as well as the established teams for Social Justice/Pastoral Care and the Fete. We know that the demands on families have increased and so we are looking at providing opportunities for parents to commit to discreet, short term projects. The date for the AGM is not set in concrete so we may bring it forward if the structures are in place and we have parents willing to take up the roles.

Next week the Co-ordinating Team will meet to negotiate roles and set our direction for the rest of the year. This will be followed by a General Parent Meeting in Week 1 Term 2. We may have started later than we had hoped but I believe we have generated energy and enthusiasm for a great year ahead.

Please find attached to this Newsletter a Pastoral Care Note. This is to help our families in time of need. If you are able to assist in any way, please complete this form and return it to school.

Late Breaking News... the cheers went up at 10.45am this morning our Year 6 Debating Team returned VICTORIOUS from St Mary’s, Toukley after winning their first ever debate. Well done team.

A great big thank you to Christine Mc (mum to Gemma, 4B) who applied for a grant to Bankwest. As a result, OLR will receive a grant for $1000 from Bankwest. We are very grateful for the time that Christine invested in preparing the application and for the generosity that Bankwest has shown towards our school. The money will go towards sports singlets which can be worn by school representative teams at a wide variety of events.

Year 6 students have had a big fortnight with visits to the RSL Long Jetty Sub Branch Museum followed by lunch at Diggers club. Many thanks to the museum staff who helped the students gain a greater understanding and appreciation of the amazing service and sacrifice of our service men and women. The children were also presented with a medallion commemorating the Gallipoli Centenary and, hopefully, this will become a treasured possession worthy of passing on to their own children in time.

Many thanks also to Diggers club who hosted the children for lunch at the Bistro. It was quite amazing to see how much food can be consumed by a class of rapidly growing students (particularly rapidly growing that day!).

The Year 6 students were also treated to a dress rehearsal performance of “Grease” the musical at St Peter’s Catholic College. The Principal Mrs Peters, staff and students made us feel very welcome before the student cast put on the most amazing performance which had the audience clapping along and cheering after every number. Thank you and well done St Peter’s!

ICAS ENTRIES YRS 2—6: A reminder that the ICAS competition payments were due in last Friday. If you wish your child to participate in these competitions, please ensure notes and payment is received by this Friday, 20th March. We will be placing our entries and sending pay-

‘DON’T HIDE YOUR LIGHT UNDER A BUCKET’

Words taken from the Gospel of Matthew which the Year 5 students enacted for the liturgy opening Catholic Schools Week. We want to respond to this commission of Jesus by giving space in our Newsletter to the adults in our school community who have a special story or accomplishment which is inspirational.

Welcome,

Firstly I would like to introduce myself. I am your new Pastoral Care Representative and I have been an OLR parent for the past 11 years and our children are currently in Years 6, 4 and 1 and I am looking forward to providing assistance to anyone in our OLR community that requires a helping hand.

Our school has a wonderful reputation for reaching out and caring for its community. This is something that we hope to continue but will be needing help from the many families at OLR who have helped in past years but also the new families who have joined us this year.

For anyone who is unsure of what Pastoral Care involves or what they are signing up for, here is a brief description of what we are undertaking.

*Parents/Caregivers complete the form below, and I will contact you, depending on what assistance you are able to provide, whether it be a meal, cake or pick the kids up from school. We may need to assist a family who has someone in hospital, had a death or tragedy in the family or are just having a difficult time. All of these details are kept strictly confidential.*

We try to only call on the volunteers once a year, but this depends on how many people are willing to help. In the event that you are called upon to make a meal, I will provide you with details of how many people you are cooking for and if there are any special dietary requirements eg. allergies etc. These meals are best delivered in aluminium containers, with a lid if possible or covered in foil, so that you do not have to use a container of your own that may, inadvertently, go missing.

If at any time you know of a family in need that could do with a helping hand, please contact Frances O’Sullivan on 0426 211 358 or Tracy Hawkings in the School Office on 4332 5594.

If you can spare a little time to be a volunteer, please complete the form below and return it to school as soon as possible.

I look forward to working with you throughout the year!

*Frances O’Sullivan*

DID YOU KNOW?

According to the most recent figures available (2012), the average net cost of educating a student in a NSW Catholic school was $11,532 per year. This is less than the cost of educating a student in a government school ($12,118) or in an independent, non-government school ($16,654). Despite this efficiency, Catholic schools still rely on Federal & State Governments for more than 75% of our funding needs. This is why funding support from Federal & State Governments must keep pace with rising education costs - to maintain education quality and to ensure a Catholic education remains affordable for all families.

‘Anne Frank - A History for Today’

9 February 2015 - 10 April 2015
Tuggerah Library

Due to popular demand and thanks to the generosity of the Anne Frank Trust the exhibition has been extended until 10 April.

Designed for young people aged 11-18, this free exhibition places the story of Anne Frank, a Jewish girl hiding in Nazi occupied Holland, within the historical context of the Holocaust and WWII.

Still relevant today, Anne’s story illustrates that we all have the right to be treated equally despite our cultural differences and encourages visitors to think about what steps need to be taken to improve human rights in our society.

The exhibition features family photographs and quotes from her diary.
