CATHOLIC PRIMARY SCHOOL, Shelly Beach

School Dress Code

Purpose:

- A uniform dress code reinforces in students a pride in their own appearance, instils recognition of themselves as an integral part of the school community, and assists in developing pride in representing their school. Issues of equality, health and safety, and expense are also factors which contribute to the establishment of the Dress Code.

Aims:

- To promote equality amongst all students
- To further develop a sense of pride in, and identification with our school
- To provide durable clothing that is cost effective, practical and safe for our school environment
- To maintain and enhance the positive image of the school in the community

School wide expectations:

- Our Lady of the Rosary has developed a Dress Code that we believe allows for students to safely engage in the many varied school activities and caters for the financial constraints of families
- The Dress Code applies during school hours, while travelling to and from school, and when students are on school excursions or representing the school in any way
- The School and Sports uniforms are prescribed, and are required to be worn
- Students should be exhibiting pride in their uniform
- School uniforms should be well cared for – clean and free from wrinkles, rips and tears and should be of an appropriate size and fit.

VARIATIONS TO THE UNIFORM:

At times children may need to be without part of their official school uniform, including hat for genuine reasons. Should this occur we ask that you contact the teacher via Seesaw or send in a note. This would be acceptable for a short time while a replacement school article is purchased. Students who are not wearing the correct uniform may be approached by their class teacher or a member of the Leadership Team, as to the reason. If student's teacher had not been notified, they will be requested to make sure they are in the correct school uniform the next day. Parents will be notified if their child is not wearing the correct uniform. Additional uniform items can be obtained from the school uniform shop.
